The Company has been exporting its products to UAE, Mauritius, Spain, Africa, Switzerland, Bulgaria, among others.

**V. RISKS AND CONCERNS:**

Risk means uncertainties about events and their outcomes that could have a material impact on the performance and projections of the Company. Since risk is inherent in every business, it is the Company's responsibility to minimize its incidence in order to protect and enhance shareholder value.

Our framework for combating risks recognizes that risks may be divided into two broad categories - risks that are common and relevant for most business in general and risks that are more specifically applicable to your company and business in particular. The Risk Management Policy at STURDY INDUSTRIES LIMITED inter-alia provides for Risk identification, assessment, and reporting and mitigation procedure. The Policy is continuously updated and adopted to the changing environment in which the Company operates.

**Risks of General Nature:**

Risks relating to the general macroeconomic environment of the Company include risks associated with political and legal changes, changes in tax structures, and commercial rules & laws. The Company keeps a proactive track to anticipate such changes and mitigate associated risks to the extent possible.

Risks related to man-made and natural disasters such as explosions, earthquakes, storms as well as civil disturbances are handled by following best practices in the design of structures and "safety first" as a guiding principle while designing technical and business processes duly supplemented with requisite insurance coverage.

The third set of general risks relates to risks from market led changes. These include risks associated with sudden fall in GDP and growth rates, overall market condition in India and abroad, or sudden changes in market preferences. The mitigation of these risks is achieved by a cost-effective and flexible working structure which would allow the Company to scale up or scale down working in affected areas in accordance with the changes.

**Specific Risks:**

We have identified the some specific risks that need more detailed attention in the present circumstances and business of the Company. The Company is structurally focusing on increasing the revenue from other manufacturing business streams and strategically enhancing the growth of these segments, which will help is off-setting the over dependence on the watch segment.

**Risk related to Personnel:**

Our business is increasingly dependent on the skills and competencies of our employees and management team. The general war for talent in our growing economy has created a risk related to the retention of key personnel both in manufacturing and retail sector. This risk is mitigated through effective HR policies relating to recruitment and retention and a proactive remuneration and rewards policy that is periodically reviewed at the highest management level.

**VI. INTERNAL CONTROL SYSTEM:**

A strong internal control culture is an important focus and thrust area in the company. The company has comprehensive internal systems, controls and policies for all the major processes to ensure the reliability of financial reporting, timely feedback on achievement of operational and strategic goals, compliance with policies, procedures, laws, and regulations, safeguarding of assets and economical and efficient use of resources. The formalized systems of control facilitate effective compliance as per Listing Agreement/ SEBI (LODR) 2015. The company also has well documented Standard Operating Procedures (SOPs) for various processes which are periodically reviewed for changes warranted due to business needs. The Company has clearly defined roles and responsibilities for all managerial positions and all operating parameters are monitored and controlled. The Company has a sound internal control system for financial reporting for various transactions, efficiency of operations and compliance with relevant laws and regulations. Suitable delegation of power and also the guidelines for preparation of accounts have been issued for uniform compliances. The Company has established a separate internal Control department to exercise the various controls and see check that all the organization's departments function properly. The internal control department reviews the effectiveness and efficiency of these systems to ensure that all assets are protected against loss and that the financial and operational information is complete and accurate. The scope and authority of the Internal Audit activity are well defined in the Internal Audit scope and guidelines, approved by the Audit Committee. Internal Auditors develops a risk based annual audit plan with inputs from major stake holders and the major focus areas as per previous audit reports.

**VII. HUMAN RESOURCE AND INDUSTRIAL RELATIONS:**

The Company believes that the quality of its employees is the key to its success in the long run and is committed to provide necessary human resource development and training opportunities to equip them with skill, enabling them to adapt to contemporary technological advancements. We lay special emphasis to the human resources function and believe that our opportunities and competitive compensation policy help us in attracting and retaining our personnel. We have an elaborate performance system in place comprising goal setting and periodic reviews (including confirmation and annual reviews). The review sessions impress upon several aspects of the professional's careers such as career and competency, individual preferences and organizational needs. Our compensation package has a fixed component in line with the industry standards and a variable component linked to the corporate and individual performance.

### **VIII. CORPORATE IMAGE BUILDING:**

Sturdy continued with the corporate image building initiatives in 2019-20 with focus on the Customer contact programs. Emotional Connect initiatives such as performing Puja during the delivery of goods and customer meets were organized. This along with well-planned media relations activities made sure Sturdy's growth story was present in the mass media throughout the year. Sturdy explored branding and communications with a view to explore both, external and internal communications to best effect. Our credit screens and processes are aligned to deliver superior customer service to our target customers who are largely first time buyers and small customers in deeper reaches of rural and semi urban India. On the other hand our Captive team focuses on converting our existing customers into lifelong customers. Sturdy continues to invest time and money in further refining sales processes and systematic measurement of process metrics, aimed at improving efficiency and customer satisfaction. Significant investments in branch network and sales force automation will hold the key to winning customers in an ever increasing competitive environment.

### **IX. FUTURE PROSPECTS:**

Considering the overall business conditions, the Company is confident about its future prospects. The Directors are striving hard to bring better symmetries of proper utilization of resources and to accomplish the basic goals with an overall objective of customer satisfaction. The low manufacturing cost of our products is our basic strength and the Company offers the good quality products to its customers at an acceptable price. The ever rising raw material cost is a growing concern to all. Aluminum, plastic and energy costs have recorded historical high prices, and with energy crisis the Company expects the raw material costs and bank rate of interest to remain high. The Company will continue to strike for correct selling price in order to maintain an acceptable profit margin. Management believes that with the ongoing efforts to control overall cost, improve plant efficiency and create the right mix of products, the Company will emerge as the most successful company in India.

### **X. CAUTIONARY STATEMENT**

Statements in the Management Discussion and Analysis describing the Company's Structure, projections, estimates, expectations may be "forward-looking statements" within the meaning of applicable laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand/supply and price conditions in the domestic and overseas markets in which the Company operates/ would operate, changes in the Government regulations, tax laws and other statutes and other incidental factors.

## **INDEPENDENT AUDITOR'S REPORT**

**UDIN: 20091673AAAAAT3670**

**To the Members of Sturdy Industries Limited.**

Report on the Audit of the **standalone** Financial Statements

### **Qualified opinion**

We have audited the accompanying standalone financial statements of **STURDY INDUSTRIES LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and its loss, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

### **Basis of Qualified Opinion**

***1 Attention is invited to Note No 22 of the financial statements the company has written off unsecured corporate loans amounting to Rs. 2279.69 Lacs and the same has been considered as other income and loss to that extent has been understated***

We conducted our audit in accordance with Standards on Auditing (SAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

**Our opinion is modified in respect of matter specified in para 2 .**

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion

thereon, and we do not provide a separate opinion on these matters. The following matters were identified as key audit matters in our audit.

Key Audit Matter	How our report addressed the Key audit matter.
<p>1. Evaluation of Uncertain tax positions</p> <p>The Company is having tax jurisdiction in Delhi region and is subject to periodic challenges by the local tax authorities on the rage of tax matters during the normal course of business. These involve significant management judgment to determine the possible outcome of the uncertain tax positions, consequently having impact on related accounting and disclosures in the standalone financial statements.</p> <p>Refer Para 7 (b) of CARO.</p>	<p>Our audit procedure include the following substantive procedures;-</p> <ul style="list-style-type: none"> <li>➤ Obtained understanding of key uncertain tax positions; and</li> <li>➤ We along with company tax experts:-               <ul style="list-style-type: none"> <li>a) Read and analyzed select key correspondences, consultation by the management with the external tax professionals working on key uncertain tax positions.</li> <li>b) Discussed with the appropriate senior management and evaluated management’s underlying key assumptions in estimating the tax provisions if any to be made; and</li> <li>c) Assessed management’s estimate of the possible outcome of the disputed cases;</li> </ul> </li> </ul>
<p>2. Related Party Transactions</p> <p>During the year, the company made sales and purchases with Related party. Determination of transaction price for such related party transaction in the normal course of business is Key audit matter considering the significance of transaction value and significant judgments involved in determining the transaction value.</p>	<p>How our audit addressed the Key audit Matter.</p> <ul style="list-style-type: none"> <li>➤ Our Audit procedure included the considering the compliance with various requirement for entering in such related party transaction</li> <li>➤ We performed test of control over related party transaction through inspection of evidence of performance of these controls.</li> </ul> <p>We have assessed the disclosures in accordance with Ind AS-24“Related Party Disclosures”.</p>

### **Emphasis of Matter**

Attention is invited to Note No.9 of the financial statements in respect of Short Term Loan and Advances amounting to Rs. 512.37 Lacs shown as recoverable in respect of Claims to be received on account of Advances to supplier/subsidy/incentives/other Govt. claims.

Attention is invited to Note No 27 of the financial statements The company has made provision for doubtful debtors amounting to Rs 9115.43 Lacs, the management of the company is of the view that these are long outstanding and time barred debtors and could not be recovered, however the company is making efforts to recover the same , hence as a result of such provision the loss to that extent has been increased.

During the year ending 31st March 2020 the company has conducted valuation of the inventory for raw material and finished products as a result of which there is decrease in the valuation of inventory of slow moving and dead stock of raw material and finished products to the extent of Rs 1125.00 Lacs , henceforth as a result of such event and guiding IND AS-2 the company loss amounting to Rs 1125.00 Lacs has been increased and the same is being charged to profit and loss account.

### **Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process

**Auditor's Responsibility for the Audit of the Standalone Financial Statements** Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an

audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we

determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirement's**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

**Annexure - B to the Auditors' Report****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Sturdy Industries Limited ("the Company") as of 31st March, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

**STURDY INDUSTRIES LIMITED****Note No. 1 : SIGNIFICANT ACCOUNTING POLICIES & NOTES TO ACCOUNTS****1. STATEMENT SIGNIFICANT ACCOUNTING POLICIES.**

- A) Corporate Information: The Company is a Public Limited Company domiciled in India and incorporated under Companies Act, 1956, having its registered office at 21, Industrial Area Baddi Distt Solan (H.P), India and is Listed on BSE Limited. The Company is engaged in Manufacturing & Supplying of Sprinkler and Drip Irrigation Systems, Conductor and Cable and Trading of Polymers and Aluminium's. It has country wide network to cater its customers, It has Manufacturing facilities at Parwanoo, Baddi (H.P) Guwahati (Assam), & Trading Activities at Delhi.

The Financial Statements for the year ended March 31, 2020 were approved and adopted by the Board of Director on 30/07/2020.

**B) Significant Accounting Policies****(i) Statement of compliance with Ind AS**

The Financial Statements have been prepared in accordance with Indian Accounting Standards(Ind AS) notified under Section 133 of the Companies Act,2013 read with Companies( Indian Accounting Standard) Rules, 2015 and other relevant provisions of the act.

**(ii) Basis of Preparation and presentation of Financial Statements**

The financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on accrual except for certain financial instruments which are measured at fair values. All assets and Liabilities have been classified as current or non-current based on normal operating cycles of business activities of the Company, which is 12 months.

**(iii) Use of Estimates**

The preparation of Financial Statements require management to make judgements, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcome that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

**(iv) Property, Plant and Equipment**

Property, plant and equipment are stated at historical cost less accumulated depreciation and impairment losses, if any. Freehold land is not depreciated. The cost of an item of property, plant and equipment comprises its cost of purchase and any attributable cost of bringing the asset to its working condition for its intended use.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the profit or loss.

**(v) Capital Work-in-Progress**

Property, Plant and Equipment under construction are disclosed as capital work in progress.

**(vi) Intangible Assets**

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

There are no intangible assets having indefinite useful life.

An intangible asset is derecognised upon disposal, or when no future economic benefits are expected to arise. Gains or losses arising from de-recognition upon de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

**(vii) Depreciation and Amortisation**

Property, Plant and Equipment

Depreciation is calculated using the straight line method to allocate their cost, net of their residual value, over their estimated useful lives.

The useful lives have been taken as specified by Schedule II to the Companies Act, 2013.

**(viii) Impairment of Assets**

A tangible or intangible asset is treated as impaired when the carrying amount of the asset exceeds its estimated recoverable value. Carrying amounts of tangible or intangible assets are reviewed at each balance sheet date to determine indications of impairment, if any, of those assets. If any such indication exists, the recoverable amount of the asset is estimated and impairment loss equal to the excess of the carrying amount over its recoverable value is recognised as an impairment loss and the same is charged to profit and loss account. The impairment loss, if any, recognised in prior accounting period is reversed if there is a change in estimate of recoverable amount.

**(ix) Financial Instruments**

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. All the financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

**(x) Financial assets**

**Classification and Measurement**

All the financial assets are initially measured at fair value. Transaction costs that are directly attributable to the financial assets (other than financial assets covered at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset.

All financial assets are subsequently measured either at amortised cost or fair value [either through other comprehensive income (FVTOCI) or through profit or loss(FVTPL)] depending on the classification of the financial assets as follows:

(a) Financial Asset measured at Amortised Cost: The Company's financial assets primarily consists of cash and cash equivalents, trade receivables, loans to employees security deposits and other eligible current and non-current assets which are classified as financial assets carried at amortised cost.

(b) Financial Assets measured at fair Value through Other Comprehensive Income(FVTOCI): On initial recognition, the Company can make an irrevocable election(on an instrument-by-instrument basis) to present the subsequent change in fair value in other comprehensive income pertaining to investment in equity instrument. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transitional costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the Reserve for equity instrument through other comprehensive income. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments as the same has been recognised in other comprehensive income.

(c) Financial Assets at Fair value through profit or loss (FTVTPL): investment in equity instrument are classified as at FVTPL, unless the company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investment in equity instruments which are not held for trading.

**De-recognition of Financial Assets**

A financial asset is derecognised when the contractual right to receive cash flows from the asset has expired or the company has transferred the financial asset along with all the risks and rewards or has assumed an obligation to pay the received cash flows to a third party under a pass-through arrangement.

On de-recognition of a financial asset in its entirety, the difference between the carrying amount measured at the date of de-recognition and the consideration received is recognised in profit or loss.

**Impairment of Financial Assets**

The company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, trade receivables and other contractual rights to receive cash or other financial asset.

Expected Credit Loss (ECL) is the difference between all contractual cash flows that are due in accordance with the contract and the cash flows expected to receive (i.e. all cash shortfalls)

**(xi) Financial Liabilities**

All the financial liabilities are initially recognised at fair value.
